Day 14 - [OSINT] Where's Rudolph?

Tool used: Google, Reddit, Twitter, exifdata.com, Bing

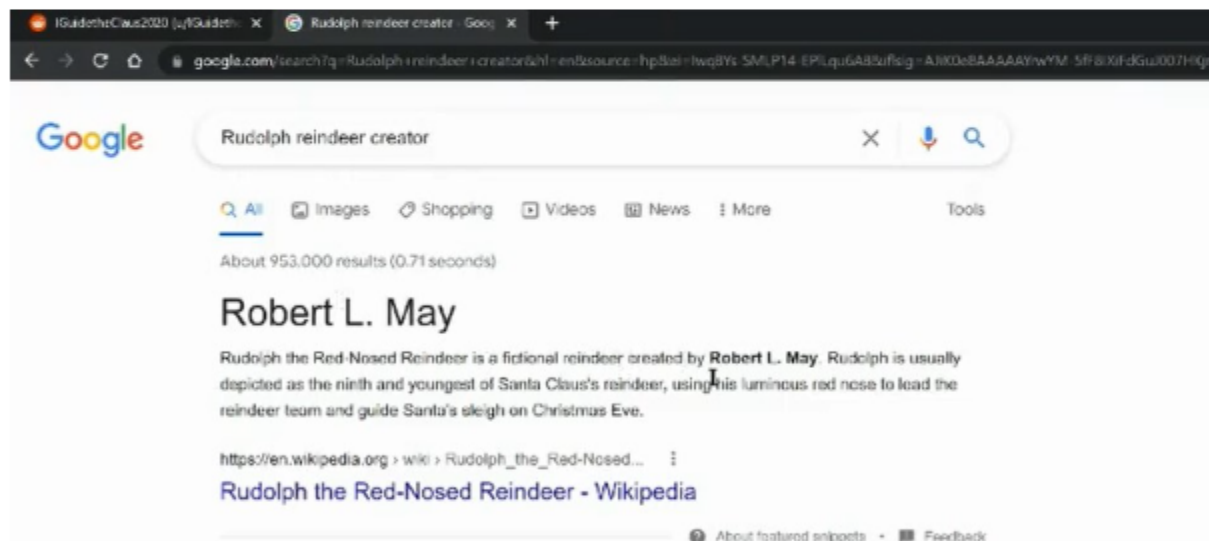

Solution/Walkthrough:

Q1,Q2,Q4

Q1. Search Rudolph's username on Reddit. Right click the comments button and click on the copy link address.

Q2. He stated that he was born in Chicago.

Q3. Google and the answer can be found

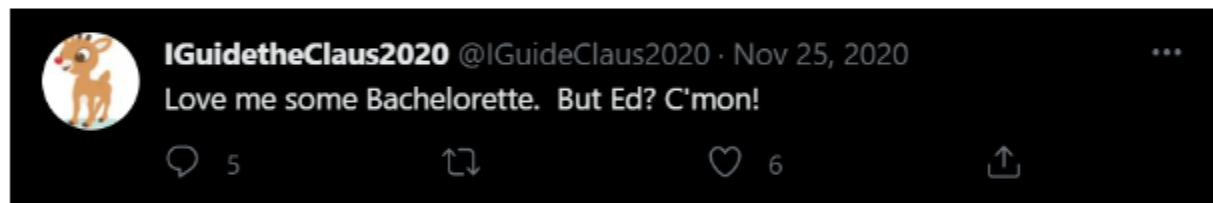

Q4. From Reddit, we can guess that he most probably likes to use Twitter.

Q5.

Search IGuidetheClaus2020 on twitter. The username can be found behind the @.

Q6.

We can guess his favourite show through his twitter's post.

Q7.

 **IGuidetheClaus2020** @IGuideClaus2020 · Nov 25, 2020
Day and night. It got a little cold, so I put a scarf on. Hehe

In his Twitter, he does provide a higher resolution version of the image. Download it and upload it into exifdata.com. The information about the image can be shown. The coordinate and the flag can be found in the details.

Q10. spygame

Q11.

The screenshot shows a Twitter post from @IGuideClaus2020, dated Nov 25, 2020, stating "Yo @Marriott is where Rudolph loves to lay his head." Below the tweet are icons for replies, retweets (1), likes (12), and a share icon. Below the tweet is a Google search result for "Chicago Marriott Downtown Magnificent Mile". The listing shows a 4-star hotel at 540 Michigan Ave, Chicago, IL 60611, United States, with a phone number +1 312-836-0100. The price is RM 2,187 for 30 Jun-1 Jul. The listing includes buttons for Website, Directions, Share, and Book a room. The rating is 4.3 stars (Very good) based on 2,863 reviews. A description states: "Polished high-rise property offering farm-to-table dining, meeting space & a rooftop garden."

Rudolph's post tells us that he is staying in the Marriott hotel. From the information we found out earlier, we also find out that Rudolph most probably is staying in a hotel on Magnificent Mile. Google it and we can find the street number.
